NEED TO KNOW**

- Applicants must be an active member in good standing of a member organization - an Auxiliary or Volunteer Group which is a member of VAHAV.
- From all applications, only two (2) VAHAV member organizations will be funded. That means that funding for four(4) people (two (2) for each organization) would be available.
- The same Auxiliary or Volunteer Group will not be eligible for funding over two consecutive years.
- No one person from an Auxiliary or Volunteer Group will receive funding more than once.
- Applications to attend the annual VAHAV conference must be received by August 1 so they can be reviewed by the Fund's Committee.
- In making approvals and/or selections, the Fund's Committee will consider the reasons for applying and the survey report of the VAHAV member organization.
- It is hoped that, upon returning from the VAHAV conference, the selected member(s) will share their experience with their Auxiliary and volunteer group.
